Safe Harbor Statement

The following is intended to outline our general product direction. It is intended for information purposes only, and may not be incorporated into any contract. It is not a commitment to deliver any material, code, or functionality, and should not be relied upon in making purchasing decisions. The development, release, and timing of any features or functionality described for Oracle’s products remains at the sole discretion of Oracle.
The Highlights
Have you heard?

Major new investment in the Higher Education industry!

- Oracle Higher Education Cloud
  - New product: **Oracle Student Cloud**
  - Higher Ed functional enhancements for: **Oracle ERP Cloud** and **Oracle HCM Cloud**

- New release of flagship product: **Campus Solutions 9.2**
Campus Solutions Roadmap

Provide PeopleSoft Applications that...

...are secure, intuitive, and simple to use

...make you more effective and productive...

...allow you to stay current at a lower cost.
Campus Solutions Roadmap

Looking more than a bundle ahead!

Campus Solutions 9.0

- Functional Excellence
- User Engagement
- Configuration Innovations
- Regulatory Support
- Core Enhancements

Campus Solutions 9.2 Enablement

- PeopleSoft Update Manager
- Synchronize with Enterprise Components
- Style Sheet update
- Infrastructure changes
- Keep Regulatory Current

Campus Solutions 9.2 Innovations

- Simplified User Experience: Fluid UX
  - Responsive Design
  - User Home Pages
  - Activity Guides
  - Pivot Grids
  - Workcenters
- Next Gen Functional Excellence
How long will CS 9.0 be supported?

• Lifetime support policy for CS 9.0 has Premier Support through Dec 2016 and Extended Support through Dec 2019
  – Extended Support provided at NO additional uplift
  – Extended Support provides same level of support as Premier (3rd party certification limitations does not apply to CS)

• Assuming CS 9.2 is Generally Available the second half of 2015, customers have 3+ years to complete the upgrade

• Start planning now!
Campus Solutions Timeline Summary

*To assist in your planning*

- **2014**: Campus Solutions 9.0
- **2015**
- **2016**: Campus Solutions 9.2
- **2017**
- **2018**
- **2019**: Campus Solutions 9.0 begin Sustaining Support
- **2020**

Executing on the CS Roadmap

Delivered in January 2015
January Bundle 36

Focus for this Bundle

Functional Excellence
- Activity Management Self Service

User Engagement
- Advising Notes

Configuration Innovations
- Prospect/Admission Data Loads enhancements: Continued Migration to PDL; SAT

Other
- Global Regulatory Updates
  - UCAS (UK)
  - HESA (UK)
- US Financial Aid, regulatory updates

Global Regulatory Updates

Other
Advising Notes

Supporting the way students and advisers interact in Campus Solutions

WHAT

- Advisors enabled to create notes with related comments, attachments and reminders
- Advisors can send notifications to students regarding a note
- Students to add comments and attachments to notes and automatically generate notifications to the related advisor
- Administrators to view and edit all notes and related data

VALUE

- Extending the Academic Advising Enterprise provides strategic value for our customers
- Feature compatibility with the Advisor and Student Centers provide familiar usability and low impact implementation
- Response to customer requirements as defined and validated by the AA PAG

MORE INFO

- Planned Advising Notes TOI (access through Doc ID 732026.1)
- Campus Solutions 9.0 Bundle #36 Functional Documentation and Additional Features - January 2015 (Doc ID 1962921.1)
### Prospect/Admissions Data Loads

**More options and configurability for data loads**

| WHAT       | • Ability to define almost any file (excluding XML) containing test, prospect/admissions or other data that requires staging, search/match processing, and posting to production records in batch  
|            | • **January 2015:** File Parser set up, CAF elements, and transaction code to support the SAT |

| VALUE      | • **Extends functionality:** Customers can load test scores, prospects, applications that have been traditionally supported or use the functionality to load data for which we do not those that are not supported  
|            | • **Configurability:** CAF extends Test Score and Prospect data models; S/M Only allows you not to load Prospect records automatically |

| MORE INFO  | • Campus Solutions 9.0 Additional Features January 2015 TOI: Prospect/Admissions Data Load (PDL) SAT Functional Overview plus many more TOIs (access through Doc ID 732026.1)  
|            | • Campus Solutions 9.0 Bundle #36 Functional Documentation and Additional Features - January 2015 (Doc ID 1962921.1) |
Activity Management

Comprehensive assessment/grading

WHAT
- Activity Management Student Self Service Examinations Selection.
- Convenient link directs user to selection page
- Ability in self-service to select the academic period to retake an exam.
- Ability to select the specific offering of an exam
- Exam schedule information provided

VALUE
- Usability: Seamless navigation allows students to see important information on scheduled exams and select exam retakes immediately

MORE INFO
- Lots of TOIs! (access through Doc ID 732026.1)
- Campus Solutions 9.0 Bundle #36 Functional Documentation and Additional Features - January 2015 (Doc ID 1962921.1)
UCAS (UK) Updates

Regulatory Feature

WHAT

• Universities and Colleges Application Service (UCAS) - updates for the 2015 admissions cycle
• Import and display of 3 new reference data views
• Import and display of additional fields including Gender Identity, Sexual Orientation, Religion/Belief
• Updated message logging
• New School Type mapping and revised processing for the creation and update of External Organization records

VALUE

• Compliance with mandatory regulatory requirements in the UK

MORE INFO

• Campus Solutions 9.0 Bundle #36 Functional Documentation and Additional Features - January 2015 (Doc ID 1962921.1)
HESA (UK) Update

Regulatory Feature

WHAT
- Higher Education Statistic Agency (HESA) - Regulatory Update Support for the 2014/15 Student return
- New and updated field derivations
- Integration with Graduate Research Management allows derivation based on research supervisors
- Re-ordering of the XML file as per the revised HESA schema

VALUE
- Compliance with mandatory regulatory requirements in the UK

MORE INFO
- Campus Solutions 9.0 Bundle #36 Functional Documentation and Additional Features - January 2015 (Doc ID 1962921.1)
US Financial Aid Updates

2015-2016 US Financial Aid Regulatory Release

WHAT

• NSLDS Aid Year Updates
• ISIR Corrections Aid Year Updates
• Verification Aid Year Annual updates in ISIR and PROFILE processing.

VALUE

• Mandatory for US schools compliance

MORE INFO

• Campus Solutions 9.0 Bundle #36 Functional Documentation and Additional Features - January 2015 (Doc ID 1962921.1)(CS_Bundle_36_Financial_Aid_9_0.pdf)
• Advisor Call Advisor Webcasts: Current Schedule and Archived Recordings (Doc ID 740966.1) Financial Aid Regulatory 2015-2016 Release 2 (9.0 Bundle #36)
US National Student Clearing House Update

Regulatory Update

WHAT

- December 2014: (Another Critical) AFTER the 11/2014 critical addressing status dates reporting
- November 2014: (Critical) Revised reporting all plans within a student’s career(s) as NSC ‘programs, reporting same academic load value across NSC programs, timing of reporting of plan changes.
- August 2014: Critical Patch addressing Issues Following the National Student Clearinghouse (NSC) Reporting Requirements 2014 Update
- July 2014: New regulatory requirements for enrollment reporting to the National Clearinghouse

VALUE

- Continued support for US institutional reporting compliance

Customer Communications

**Bundle / Additional Features Updates**

- **Annual Statement of Direction**
  - Outlines our strategy and roadmap for the upcoming year
  - Summarizes planned projects and the business benefits of each
  - Published to My Oracle Support in May of each year
  - PeopleSoft Campus Solutions 9.0 Statement of Direction FY 2014-2015: Doc ID 1907894.1

- **Pre-Release Notes**
  - Provides additional detail on the design and benefits of Additional Features planned for the next upcoming bundle
  - Published to My Oracle Support approximately 4-6 weeks prior to the release of each bundle
  - PeopleSoft Campus Solutions 9.0 Additional Features January Q1 2015 Pre Release Notes (Doc ID 1955957.1)

- **Bundle Documentation**
  - PeopleSoft Enterprise Campus Solutions 9.0 Documentation Home Page (Doc ID 751540.1)
  - Online Help: PeopleSoft Enterprise Campus Solutions 9.0 Documentation Home Page (Doc ID 751540.1)>Online Help (Part #E56917_01 for English) (updated September 2014)
  - Campus Solutions (CS) 9.0 Bundle #36 Functional Documentation and Additional Features - January 2015 (Doc ID 1962921.1)
  - Most Recent Version of Campus Solutions 9.0 Chapters as of Bundle #36 (Doc ID 1523915.1)
  - Spreadsheet detailing each individual fix/update delivered in the bundle
Call to Action

Getting value from the Continuous “Improvement” Model

• Promote awareness of Campus Solutions capabilities
• Promote awareness of the CS 9.2 upgrade benefits and timing
• Analyze how the features bring value to your campus
• Develop a plan for Adoption
• Share your success
• Provide feedback to us
My Oracle support communities

Appendix
My Oracle Support Communities

For More Information...

• If you have questions regarding the content or features discussed in this presentation please engage Oracle Global Support Engineers and other members of the PeopleSoft User Community via our new “My Oracle Support Campus Solutions Community”.

• Our communities are moderated by Global Support staff who will respond on the forum without the need to log a service request!

• Navigate to the My Oracle Support Campus Solutions Community:
  Or
  – Login into My Oracle Support (https://support.oracle.com) and click on the Community tab at the top of the page.

First time users will be asked to edit their profile and subscribe to the Communities they want to see on their front page.

** You need a valid My Oracle Support login. For instructions on obtaining an account see Appendix**
How to get a My Oracle Support Login

To get a username and password to access My Oracle Support features, such as the Campus Solutions Community, use the following instructions:

Step 1

- You must have an Oracle Single Sign On (SSO) account for Oracle.com.
  - a. Open a browser window and navigate to https://supporthtml.oracle.com
  - b. Select 'New User? Register here' to create your 'SSO' account.
  - c. On the Oracle.com 'MyProfile Create User' page, enter the following: your valid email address, password and desired subscriptions.
  - d. Check for an email from Oracle and then verify your account and profile information
  - e. Confirm your changes

Step 2

- Once you have verified your account through the email from Oracle, you will be taken to a form where you are prompted to enter a Support Identifier.
  - a. Enter your 'Support Identifier' and provide your 'contact information'.
  - b. Accept the 'Terms of Use.'
  - c. Select 'Submit' to send the request to your 'CUA 'Customer User Administrator'. See next slide on how to find your CUA.
  - d. Note, although you are now able to log into My Oracle Support, you will not be able to do anything until your CUA approves your account.
How to Find Your Customer User Administrator (CUA)

• A CUA is responsible for managing My Oracle Support User accounts. To find your organizations CUA:
  – Log into My Oracle Support https://supporthtml.oracle.com
  – Select More > Settings > Account & Privileges
  – Under the “Administrators column, select ‘View’ to see a list of your CUAs’ email addresses.
