About the College Board

The College Board is a mission-driven not-for-profit organization that connects students to college success and opportunity. Founded in 1900, the College Board was created to expand access to higher education. Today, the membership association is made up of over 6,000 of the world's leading educational institutions and is dedicated to promoting excellence and equity in education. Each year, the College Board helps more than seven million students prepare for a successful transition to college through programs and services in college readiness and college success — including the SAT® and the Advanced Placement Program®. The organization also serves the education community through research and advocacy on behalf of students, educators, and schools.

International Test Centers and Codes

Check the back cover to see when tests are offered. You can tell if a test center is open on the test date you've selected by checking the following codes:

- Test center is open.
- L Test center is open and the SAT Language with Listening Subject Tests are also offered (November only).

Go to **collegeboard.org/sat-codes** for the latest information on test centers that may be available in your area. Also confirm test schedules for your area at **sat.org/international**.

The list printed here shows only international centers, so if you plan to test in the United States or a U.S. territory, go online to obtain a test center code.

College and Scholarship Program Codes (Item 22 on Registration Form)

Use the codes listed below to send official score reports to colleges and scholarship programs. Scores combined with your high school record, family financial situation, and/or academic achievements may be evaluated to determine college and scholarship program eligibility.

Sending scores is a great way to show your interest in specific universities. The admission staff value students who show interest

If you can't find the college scholarship program you are looking for in this list, look it up at collegeboard.org/satcodes.
