

NEWHEUG Alliance 2017

August 14-15, 2017

Sheraton Monarch Place | Springfield, Massachusetts

NEWHEUG Workshops Now Available!

The New England Regional User Group would like to announce the workshops for the upcoming [NEWHEUG Alliance 2017 Conference](#) are now available.

A number of workshops will be offered on Monday, August 14 prior to the main conference. Registration for these require an additional fee of \$30 per workshop for conference attendees and \$50 for non-conference attendees. Each workshop has a minimum participation level; and if this is not met by August 9, then the workshop may be canceled and monies paid refunded. Please see the list of the Monday Workshops being offered below:

HOW TO SIGN UP:

- You can add this directly during your initial [registration](#).
- OR
- If you are already registered, go to ["View Your Registration Details"](#) and log in, click "Workshops, and then click the "Add a Workshop" button. Select the workshop you would like to attend and click "Add". Then hit "Finish" to pay.
- OR
- If you are only attending a workshop, go to ["Register Now!"](#) and "Register for this Event". Select the "Workshop Only Registration Type. On the Additional Registration Options page, select the workshop you would like to attend and click "Add". Then hit "Finish" to pay.

Functional Users Guide to the Application Designer

Track	General Interest
Time	12:30 - 2:30 PM
Speaker	Thomas Cote, University of Massachusetts
Description	The Application Designer can look daunting to a functional user. This workshop will attempt to simplify the mystery. We will cover records, pages, components and some basic PeopleCode. From beginner to the functional 'go to' person, there will be something new and valuable that you can learn to better understand the back stage of PeopleSoft!

3Cs Communication Generation Step by Step by Step

Track	Campus Solutions
Time	12:30 - 2:30 PM
Speaker	Christopher Tatro, Tufts University
Description	In this workshop we will dive deep into the setup of 3Cs Communications, covering all steps necessary to produce either letters or emails. We will look at some of the common problems or issues in Communications and resources to solve them.

Intro to PS Query Workshop	
Track	General Interest
Time	3:00 - 5:00 PM
Speaker	Gregg Jencyk, Williams College Criss Laidlaw, Williams College
Description	This two-hour workshop will introduce attendees to PeopleSoft's Query application, once of the most widely-used reporting tools in the PeopleSoft environment. Attendees will learn how to create simple queries, select and sort query results, join tables together, define expressions and prompts, and generate results in several formats using the web version of PeopleSoft Query. This workshop will be most helpful for novice Query users who want to understand the basics.

AWEright AWEright AWEright	
Track	General Interest
Time	3:00 - 5:00 PM
Speaker	Dan Moran, Loyola University of Chicago
Description	Discover how we built a workflow process for student cancellations. This includes addition/removal of service indicators, term withdrawal, tuition calculation, and notification to various college offices.

Feedback from the past three NEWHEUG Alliance Conferences has been very positive and we look forward to seeing you in Springfield!

Regards,

NEWHEUG Conference Planning Team
